LOCATION

Aspatria is a market town in the west of Cumbria, approximately 15 miles southwest of Carlisle and J43 and J44 of the M6 motorway. The Lake District National Park towns of Cockermouth 8 miles south and Keswick 18 miles are conveniently positioned south east, and the popular coastal town of Silloth only 9 miles north west. The building fronts on to King Street which is the main throughfare for Aspatria. Nearby operators include Co-op, various hot food takeaways, some salons and other residential buildings.

For identification purposes only, the location of the property is shown red on the plan overleaf.

DESCRIPTION

The building is arranged over three levels. The former post office and gift shop areas at ground floor benefit from their own wc and kitchen area to the rear and can be occupied as a whole or in two parts. Future uses lend these areas to salon space, offices, retail shop, café - or even conversion to residential subject to planning and building modification.

Access to the upper floor residential accommodation is via an integral staircase. This area is currently lived in by the owners and provides a spacious three bedroom flat with large open plan living room, fully equipped bathroom and well equipped kitchen offering picturesque views towards the northern Lake District fells. The residential areas could be converted to provide Air BnB accommodation.

Since the owners bought the building, they have re-roofed the property and re-wired the electrics throughout.
