## LOCATION

Keswick is one of the largest and main Lake District towns, drawing on visitors most of the year round. Whilst some of the Lake District towns are only bustling during the summer months, Keswick's sectors tend to trade well most of the year.

The town benefits from good transport links via the A66 trunk road, linking it with Penrith to the east at Junction 40 of the M6 motorway, and the towns of Cockermouth and Workington to the west.

The subject property is positioned at the northern end of the town, slightly beyond the main shopping pitches, but lies immediately adjacent to the recently developed Premier Inn Hotel. In addition, various car parks are situated in close proximity as well as private retailers. This is a popular section of the town for visitors parking and exploring the surrounding fells, and the popular Keswick to Threlkeld walk.

The location of the subject property is shown on the attached plan overleaf.
