LOCATION

Cockermouth is an attractive market town on the fringe of the Lake District National Park, although not quite as popular or as busy with tourists like the towns of Keswick, Ambleside, Bowness and Windermere, the town attracts tourists throughout the spring, summer, and early autumn, which enhances trade for the retail community, as well as drawing regular visitors from the nearby West Cumbrian towns of Workington, Whitehaven, and Maryport throughout the year.

The building is situated at the heart of Main Street, considered the prominent location within the town, given the intersection with Station Street. Surrounding occupiers include The New Bookshop, One Stop, Greggs, Bryson's Bakers, Harrison Butchers and numerous smaller strong local independent retailers, such as a bakery, refill store, and cycle shop. Various car parks are positioned close by. Some offer annual contract parking options. Disc zone parking is also available immediately outside the unit.

For identification purposes only, the location of the subject property is shown circled red on the location plan below:-
