* 100% BUSINESS RATES RELIEF FOR QUALIFYING OCCUPIERS *

* PROMINENT ROADSIDE LOCATION *

* DEDICATED CAR PARKING AND A SECURE YARD *

LOCATION

Cleator Moor is a town with a population of approximately 7,000, located within West Cumbria, approximately 4 miles southeast of Whitehaven and 3 miles north of Egremont. The town benefits from close proximity to the Sellafield nuclear reprocessing site 8 miles to the south, providing a convenient location for the nuclear sector workforce.

The property is situated on Ennerdale Road, off High Street, at the heart of Cleator Moor, and is one of the main cut-through routes to Sellafield. Nearby occupiers include a mixture of national and a wide range of local independent retailers, in addition to the nearby Leconfield Industrial Estate, which is primed for investment and expansion.

DESCRIPTION

The property comprises a detached industrial warehouse/workshop of concrete frame construction with cavity brick and block infill walls, externally rendered, beneath a pitched, insulated steel composite-clad roof.

The ground floor features a reception area and office to the right upon entry, and an office/workshop display room to the left. To the rear is an open plan workshop/storage area currently used for equipment storage, incorporating male and female WCs and a kitchen. A mezzanine level provides further workshop accommodation. The workshop space is unheated, but an oil-fired boiler provides central heating to some of the office areas. Externally, the property benefits from a small secure concrete yard with gated access.

The property is well suited for continued light industrial and trade counter use. Alternative uses will be considered, subject to the necessary planning permission.

ACCOMMODATION / AREAS

Floor	Sq ft	Sq m
Ground Floor	2,420	224.85
Mezzanine	1,130	104.98
Total Gross Internal Area	3,550	329.83
